

#FairfieldCountyGives on Giving Day TODAY! ^[1]

By Robin Olson on March 8, 2017

It's Here! The 24-hour giving marathon that can be a game-changer for our little rescue.

The deal is to get as MANY UNIQUE DONATIONS (*that means one donation per person*) of \$10 or more over a single day-Thursday, March 9, 2017. The non-profit in Fairfield County who gets the MOST UNIQUE DONATIONS WINS \$20,000!

We have NEVER had even CLOSE to that amount of money in the bank in our 7 years doing rescue. We could finally upgrade our miserable foster room, get INSURANCE!, get toner for our printer and bank a bunch of funds to provide vet care for the cats we have now and the cats we'll be able to rescue in the coming days. We need a lot of funds for things that aren't easy to raise funds for and this award would change the history of our rescue efforts.

To Donate, go to our **SPECIAL DONATION PAGE ON FCGIVES.** ^[2]

DONATE \$10 OR MORE. Your donation IS Tax-Deductible.

TELL YOUR FRIENDS TO DO THE SAME. Sharing this post can dramatically improve our chances!

Stay tuned to our [Facebook Page](#) ^[3] for updates throughout the day!

Know that **every dollar matters** and makes a huge difference to our rescue efforts. With Kitten Season upon us and two new kittens and their mom in our program, it's going to be a busy year.
